Letter No. 642, L.F. dated 10th December 1892 - from the Comptroller in Mysore.

Order

No. 27

In the Proceedings of the Govt., No. 1515-16. / L.F. 46-92 dated 28th July 1892, it was directed that Mr. Annaji Rao, Assistant Commissioner should — forthwith refund the — amount drawn by him as allowance for doing the duties of Vice-President of the Bangalore city municipality from 16th December 1891 to 30th April 1892. The allowance so drawn amounts to Rs. 451-9-10

7/9/93

On the 28th November/92 the Comptroller enquired of Mr. Annaji Rao whether he had refunded the amount in question and, if this had not been done, he requested him to deduct the same by short drawal from his pay. In reply, Mr. Annaji Rao stated on 2nd December that a reference for the reconsideration of the order for refund was pending before the Government and requested that in the meantime the order might be held in abeyance. He was informed on the same day

3/

day that as the orders of Government were peremptory his request could not be complied with. Mr. Annaji Rao answered on 3rd December that after addressing the Comptroller on the subject he had drawn his pay for November 1892 in full, but that he was prepared to refund the amount should the Government affirm their original decision. The Comptroller pointed out in reply that Mr. Annaji Rao's ~~had drawn~~ action in drawing his pay for November in full in opposition to the instructions given by him was irregular, ~~the Comptroller~~ ~~Office~~, and that the ordered refund should at

once be made under article 16, chapter I; Vol. I of the Civil Account Code 5. Edition.

4/

The Comptroller has now in his letter cited above, submitted for the orders of Government the irregularity of the action of Mr. Annaji Rao who, being himself the Officer in charge of the Bangalore District Treasury, failed to carry out the instructions given by the Comptroller in obedience to the orders of Government

In ~~going~~ going over the papers connected with this case, it appears to the Government that

that the Comptrollers Office itself was in the first instance dilatory in not having taken action upon the Proceedings of the 28th July till the 28th November 1892, and in not having pointed out to Mr. Annaji Rao the rate at which refund should be made, which under article 16 of the Civil Account Code above referred to is "ordinarily not to exceed one-third of salary." Further, the amount to be refunded in the present case viz. Rs. 451 odd, being more than Mr. Annaji Rao's salary which is only Rs. 250/- per mensem, it

was the more necessary
for the Comptroller to —
have indicated to Mr.
Annaji Rao the amount
of short drawal he
should make each month
from his pay.

On the other hand
the conduct of Mr. Annaji
Rao has throughout been
most reprehensible. Al-
-though the Comptroller
addressed him on the —
28th November, that is,
in sufficient time for
a portion at least —
of the refund being made
from November's pay, still
Mr. Annaji Rao drew
that month's pay in
full, simply request-
-ing the Comptroller
-if the 2nd December to
hold

hold the retrenchment order in abeyance, and without waiting for the latter officer's reply which was sent to him on the same day to the effect that as the orders of Government were peremptory the retrenchment directed could not be held in abeyance. ~~Upon hearing that Mr Annaji Rao~~ had drawn his full pay for November as above described, the Comptroller wrote to Mr. Annaji Rao blaming him for his action, and referring him to article 16, Chapter I of Vol I of the Civil Account Code, 5th Edition

Again when
~~After~~ December pay
became due, Mr Annaji
Rao addressed a Demi
official letter to the —
Chief Secretary to the
Dewan on the 11th Janu-
-ary 1893 (the Offices
having been closed
till the 9th idem on
account of the Christ-
mas holidays), re-
-questing that the
order for retrench-
-ment might be kept
in abeyance pending
orders on his represent-
-ation already made
to the Government —
through the Deputy
Commissioner. To this
he received a D.O.
reply

reply under orders

9 from the ~~Town~~ Govt. Dr. in the following terms:—

"-was, ~~that~~ The pro-

"-visions of clause 3,

"Rule 16 are clear and

"peremptory and there

Even then, i.e.,

even under the orders

of Government com-

municated to him

X on what date?

through the Chief Secre-
-tary, Mr. Annaji Rao
drew full pay for the
month of December
about which the cor-
-respondence with
the Government took
place, so late as the
16th February 1893. He
has since, that is, on
the 1st March 1893, ~
written ~~to~~ D.O. to the
Chief Secretary that
he drew December's

cipal allowance" &c.

It is clear from
the circumstances
above described that
Mr. Annaji Rao has not
only persistently dis-
-obeyed the orders of
the Comptroller but
also those of the Govern-
-ment communicated
to him by the Chief
Secretary under the
orders of the Hon. De-
-wan (~~Mr. Francis Chetty~~)
He has taken advant-
-age of the fact that
he is himself the Officer
in charge of the Banga-
-lore District Treasury,
and has drawn pay,

Contrary to Government

orders. Whatever his
representations might
be, there was no ex-
-cuse whatever for
his drawing his pay
for December directly
in opposition to the
orders of the Government,
as communicated to
him on the 16th Janu-
-ary 1893. He now
writes that his pay for
January and Febru-
-ary is at the disposal
of the Comptroller to
meet the charge should
the Government not
accede to his appli-
-cation for a recon-
-sideration of the
original order of re-
-fund. ~~But that is~~

of

13/

The fact that Mr. Annaji Rao has left two months pay un-drawn cannot be held to mean that he has complied with the order of the Govern-ment which was to the effect that a cer-tain amount was to be refunded to the Government, i.e., that the amount should be paid into the Treasury either in cash or by short drawals from his pay. Such pay-ment Mr. Annaji Rao has persistently abstained from making up

up to date. He could, if he really intended to comply with Govern-ment orders, have easily ascertained from the Comptroller the amount of refund he should make every month from his pay. He has on the contrary, evaded the payment on the excuse that a representation of his, submitted through the Deputy Commissioner, awaits the orders of the Government

Under such circumstances the Government cannot refrain from expressing their grave

grave displeasure at the conduct of Mr. Annaji Rao.

The Government also further direct that the amount in question i.e., Rs 451-9-10, should, under article 16, chapter I of Vol: I of the Civil Account Code, 5th Edition be refunded by Mr. Annaji Rao by monthly payments amounting to the whole of his pay until that amount is fully cleared. The Comptroller is request-ed to take immediate action upon this order.

Mr. Annaji Rao's representation

representation, submitted through the Deputy Commissioner regarding the correctness of the order of the 28th July 1892 will ~~receive~~ consideration later on, and orders passed thereon in due course.

Sir.

With reference to Govt Proceedings No 1515-6/L-746-92 of 28th July last, I have the honor to forward herewith copy of letter from Mr. Annaji Rao together with copy of its enclosure in respect of the allowance drawn by him during his incumbency as Vice President and to state that as I have explained in my former

letter No. 68. 9 9th July 1892 it is heard on Mr. A. Rao to be now called on to refund the all he drew while doing Municipal work He the work as he and Mr Madhava Rao explain in the belief that he was entitled to the allowance. The Government, it is requested, may be pleased to make that the executive work of a large Municipality like the one at Bangalore, is not only a call on an Officer's time and attention which the Government may claim as theirs, but to a considerable extent a call on his purse also or at any rate it entails a deterioration in his property, horses and carriages. With all submission I beg to urge on the mercy of the Government the indivisability, if not the × unfairness of requiring a moderately paid Officer to refund an amount which in proportion to his pay is very large.

Sir.

With reference to the Proc: of the Government of Mysore No 1515-6 L.J.46-92 of the 28th July last, a Copy of which was forwarded by you to me for refund of the Municipal Vice President allowance drawn by me, I beg to enclose a letter in original from Wm Madhava Rao on the subject and to

submit my own explanation in the matter for the consideration and orders of Govt.

I took charge of the District Treasury in December last from M. Vaidyanatha Iyer under orders of the Government. M. Madhava Rao, the then Deputy Comr. and President asked me to the duties of the Vice President in addition. I hesitated at first on the score that it would put me to additional cost and trouble. He however gave me to understand that he had consulted the Dewan and M. Chentsal Rao on the subject and that they both were not opposed to continue the allowance provided in the Budget. Hence I drew the allowance granted to me by the then Deputy Commissioner and President, M. Madhava Rao, with the belief that the Govt would not object to it. It will thus be seen that I simply acted in the matter under the orders of my official superior.

As it now appears that no formal sanction has been obtained for the same by the then President, I request you will kindly place the matter before Govt for its orders.

My dear Annaji Rao.

I was very pained to see the orders of Government directing you to refund the monthly allowance of Rs 100/- entered in the Budget for the Vice President and drawn by you while doing the duties of President under my orders. I am sorry that the question was not referred to me before Government passed its orders.

It is true that under Government Pro: No. 5631-2 / 414 dt 11th August '91 the Office of Vice President was abolished. But the Govt, in their Pro: No. 7657-70 / 623 dt 6th October '91 in the course of passing orders on the Budget-Estimates of the Municipality for the year 1891/92 have, in para 5 of the Proceedings, ordered that the allowance for the Vice President which had been omitted

from the estimates sent up by the G.C.
Board, should be inserted in the
Budget. It was subsequent to this
date, ie on the 18th November 1891
that Mr. Puttanna Chetty was
relieved of his Vice Presidentship
and Mr. Vedyanatha Iyer took
over charge from him. Mr. Vedya-
natha Iyer was subsequently
relieved by yourself. As there
was provision in the Budget
for allowance to the Vice President,
I thought it was the intention
of Govt that the Treasury Officer
who helped me in carrying on
the work of the Municipality
should be granted this allowance.

If I am not mistaken, the
fact of the allowance being
granted to the Officer doing duty
as Vice President was not un-
-known to the Govt. Further, so
far back as the 9th February 92
(vide docket No. 12651 & 1260 of 9/2/92 from

of the Municipality) Govt were aware of your doing the duties of Vice President - and when in subsequent Pro: No 13462/1363 of 24th Feby 92, the question of cash was raised, I as President of the Municipality in letter No 1078 of 29th Feby 92 represented that the allowance of Vice President should for reasons stated therein, be paid to the Officer doing duty under the orders of the President - Govt did not direct the discontinuance of the allowance in their order on the above letter, nor did they question the propriety of granting the allowance when passing their orders of the 26th May 1892.

They ordered the carrying out of Army Rules in Annexure as Vice-President as no such Office could exist under the [illegible]

Considering that you were put to extra cost by having to do municipal work which was particularly heavy owing to my attention being directed during most of the time to Famine work, I think it rather hard that you should be called upon to refund the allowance drawn I should not have minded the order if it had been passed in the case of a high placed Official But it comes very hard on a poorly paid Officer like yourself I am really sorry that I did not obtain the formal sanction of Govt. to the disbursement to you and Mr. Vidyanatha Iyer

I am sorry that the question was not referred to me before Govt passed its orders.

It is true that under Govt Pro No 5631-L 414 dated 11th August 1891, the Office of Vice President was abolished. But the Govt, in their Prop. No 7657-70 L. 623 dated 6th Oct. 1891 in the course of passing orders on the Budget estimates of the Municipality for the year 1891-92 have, in para 5 of the Proceedings, ordered that the allowance for the Vice Presidt which had been omitted from the estimates sent up by the Board, should be inserted in the Budget. My dear Sir,

Adverting to your letter dated 29th August last to Mr Annaji Row (Assistant Commissioner) on the subject of the Municipal allowance drawn by him which is now under objection I am directed to ask whether the Dewan gave you to understand that Mr

Annaji Ram will be allowed to draw the allowance

The Hon'ble Mr. Chunilal Ram never, as far as he can remember, gave his permission to Mr Annaji Ram drawing the allowance, nor does the Diwan remember having done so. But if, as a matter of fact,

you understood Government
to accord such permission
your statement has of
Course to be accepted

I am
Yours sincerely
